Thanks – understood.
We brought it up during Angela’s general with Alex this morning.
We will see if they can pry it loose.

OK looking at this now. Will try to put it on Alex’s radar.
Was there a reason why it was not published when it came in?

As Debra indicates, I'm also about to call Angela now, to see if we can track down where the hold-up might be.

Hi Catherine,

I just spoke with Marion on this, so I hope he is ok with me responding.

The NOR (FRL 10017-72) has been pushed through the electronic system and was signed by Hamaad S. on Monday. I also received notification of AA review complete on Monday (11/23/20). This seemed like clear sailing, but to be sure I contacted Terry Green after our aldicarb meetings this morning.

These are the steps that I am aware of, but there is the chance that I've overlooked something?

Hi everyone: what's the latest on this? Were you able to connect with Mario or his manager?
